Replacement material for the defective area will be delivered to the proved Applicator is more than 200 miles from CLI's nearest manufacturing terial on their normal truck load orders. Replacement material for the defective plicator and/or CLI's truck but in any event within thirty (30) days. but not limited to, water replacement, chemicals, and loss of use of the pool SUNSTONE PEARL pool finish which have been abused physically, through ther chemical abuses, or sanitation applications. Pool chemistry must be main roper pool chemistry voids this warranty. SEE REVERSE SIDE FOR POOL ANTY CONDITIONS. ks are not covered by this warranty. This finish is not structural. ompleted in full & signed and returned to CLI within thirty (30) days of applica- REGISTRATION MUST BE SENT BY CERTIFIED MAIL AND RETURNED by binding arbitration by the Association of Pool & Spa Professionals (ASPS). o deliver new material in substitution for that which was found to be defective. No may be asserted under this warranty and all such claims are hereby waived by ool Owner as identified above and is non-transferable.

## **POOL WATER CHEMISTRY**

۲

ц١

**( ( ( )** 

It is necessary for the longevity of the **SUNSTONE PEARL** finish and as a condition of this warranty that the following chemical parameters are maintained:

CL	1.0 - 3.0	ppm
рН	7.4 - 7.6	
Total Alkalinity (TA)	80 - 100	ppm
Calcium Hardness (CH)	200 - 400	ppm
Cyanuric Acid	less than 50	ppm
Sequest	12	ppm

In areas where calcium levels exceed normal parameters, alkalinity and pH adjustments are required. The initial fill water is the most important water that the pool will receive. The initial fill water must be tested, recorded and adjusted to the above parameters before it has an opportunity to affect the new Crystal Colors finish.

## WARRANTY CLAIM PROCEDURES

To initiate a warranty claim notify DL Industries, Inc. at P.O. Box 593704, Orlando, FL 32859-3704. Prior to an inspection, CL Industries, Inc. must receive by certified mail a brief note describing the complaint and photocopies (do NOT send the originals) of the following:

Warranty as completed at time of application. Original "return receipt" as completed at time of application. Copies of monthly (or more frequent) results of water chemistry analysis done by a commercial water chemical retailer.

Upon receipt of the above, CL Industries, Inc. will schedule an inspection. Any replacement material will be shipped as described in paragraph 5 of this warranty.
