PEBBLE

SunStone Pearl Golden Pearl

THE SPLENDOR OF A DEEP SEA PEARL, IN YOUR OWN BACKYARD

SunStone Pearl is a smooth pebble pool finish that takes any pool design to new heights with dazzling luminescence. This unique new finish combines smaller, delicate hand-selected pebble aggregates with reinforced white Portland cement. The result is a pool finish that feels as smooth as the surface of a precious pearl. **SunStone Pearl** is the perfect complement for anyone looking to create a natural pool environment.

Made with CL Industries most resistant materials, **SunStone Pearl** offers twelve elegant color combinations that include "Black Pearl" and "Aqua Pearl." This luxurious finish aims to revitalize and soothe in any oasis environment. As one of the most beautiful and time-tested surfacing formulas ever created, **SunStone Pearl** is a technological advancement in nature's beauty.

BENEFITS:

- Proven Durability
- Etch Resistant
- Rich Color
- Variegated Aggregates
- Easy Maintenance
- Lightly Textured

SAMPLES:

Actual CL Industries' finish and water color may differ from digitally photographed and reproduced samples. CL Industries strongly recommends viewing actual swimming pools in person before deciding on a color.
